- Juvenile issues in the Hamilton Viewpoint (drinking, reckless driving)
- Property Crimes (auto theft, burglary, car prowl)

---

## PROBLEM SOLVING STRATEGIES

---

1. Safety in the junction area (loitering, drinking)
  - a. Bicycle/foot patrol in the junction area.
  - b. CPT to work with SDOT to post and remove transient camps on nearby SDOT property.
2. Juvenile issues in the Hamilton Viewpoint (drinking, reckless driving)
  - a. 3<sup>rd</sup> watch patrol to monitor park and surrounding areas when available.
  - b. Outreach and education to local businesses to secure alcohol and stop underage sales.
  - c. Periodic underage alcohol purchase "stings" to insure compliance.
3. Property Crimes
  - a. Purchase professional quality evidence kits for all SW patrol units.
  - b. Develop a weekly report on property crime that is accessible to SW personnel.
  - c. Develop a persistent offender database for auto theft, burglary and car prowl accessible from the field.
  - d. ACT in coordination with SW Detectives to place emphasis on locating and arrest of persistent offenders.
  - e. Develop a loaner engraver program. These would be available at the precinct for applying owner applied ID numbers to valuable property, coordinated through the crime prevention council, block watch network and West Seattle Blog.
